

Making A Cat Face Mask

Adult supervision is required

What you will need:

Dinner sized paper plates
Elastic
Scissors
Sellotape
Coloured pipe cleaners
Paint or colouring pens/pencils
Small piece of card
Stapler or glue

You need an adult for this part!

- Ask an adult to cut out eye holes
- Make holes at either side for elastic to be attached
- Pierce small holes, 3 either side of the paper plate face for pipe cleaner whiskers to be put through

- Cut out triangle shapes and stick to the top edge of the plate for your cat's ears

- Draw and colour in your cat's face
- Push the pipe cleaners through the whisker holes and bend over 1cm at the back of the plate. Sellotape the ends down.
- Tie elastic to the side holes

Your mask is now ready to wear!
Email a picture of your mask to pets@cinqueportsvets.co.uk and we will feature it in our gallery.
