Welcome to our practice

We would like to take this opportunity to thank you for entrusting the care of your pet(s) to Cinque Ports Vets. Our friendly vets, nurses and support team are dedicated to your pet's well being and we treat every one as an important family member.

Our aim is to provide the highest level of care for your pet within our well-equipped Veterinary Group, whilst being committed to offering excellent value for money.

We are a well-established six centre practice based in Kent and East Sussex which is independently owned and run by a Directorship of Veterinary Surgeons. Cinque Ports Vets originated from a traditional mixed practice in Rye, Sussex in the 1930's and has expanded into our modern Veterinary Group offering a very high standard of veterinary medicine and care.

We also have a sister company Milbourn Equine Vets Ltd who provide equine services from Ashford, Canterbury, Hawkhurst and Rye.

Cinque Ports Vets are regularly assessed, resulting in approval by the Royal College of Veterinary Surgeons (RCVS) and are members of their Practice Standards Scheme ensuring that we offer high quality care – in the parts of the practice you can see and those that you can't!

We also operate our own full emergency service out of hours for your pets, 24 hours a day, 365 days a year. This is provided by our own team of veterinary surgeons and veterinary nurses, based at both our Ashford and Rye branches. This service is supported by our excellent facilities and equipment with access to your pet's full medical history.

If you have any questions regarding Cinque Ports Vets or your pet's healthcare, no matter how small, then please do not hesitate to contact us for your peace of mind.

We look forward to meeting you and your pets and helping you to enjoy a long and fulfilling time together.

The Cinque Ports Vets Team
